eDossier Quick Guide

At login, you will see the SIU Online (D2L) My Home
For easier viewing, click Select Semester under My Courses, then choose Dossier 2015, and click UPDATE

Locate the correct dossier and click the dossier link.

From the SIU Online (D2L) Course Home, click “Content Browser” to access the full course menu or the specific module you are editing.
A full list of the modules can be shown by clicking on “Table of Contents”; you should see the list of Modules and Sub-Modules in the main window pane.

To drag and drop/add files, click on the Module name in the Table of Contents pane. You will see the sub-modules where files should be added. Drag and drop the files as noted in the Use and Ordering Guide.
