

NTT Promotion Standards Head Start

The following non-exhaustive standards for demonstrating sustained excellence and innovation in practice pertain to Head Start NTT faculty seeking promotion:

- A list of conference and trainings attended with a description of how the content was incorporated into daily practice
- CLASS Scores*
- Parental Surveys of Teaching (this instrument will be internally developed) *
- Service on local or state coalitions, boards, and committees related to family and early childhood initiatives
- Recruitment efforts in the community of children and families into the Head Start program
- Participation in and demonstrated growth from ongoing coaching*
- Completion of graduate coursework related to position
- Participation as a teacher mentor*
- Community service related to families served by Head Start

*=applicable to classroom teaching staff only

Approved by Director and Provost following review and recommendation by Steering Committee.
