

# Complete SIU Syllabus

Last Revision: September 28, 2015

*Provided by the Offices of the Associate Provost's*

The minimum requirements for course syllabi are specified in section 10.02.a.3 of the Collective Bargaining Agreement (CBA) with the SIU Faculty Association, and in section 11.04.a.3 of the CBA with the NTT Faculty Association. The language is identical in each CBA and is as follows:

*Syllabus: The course syllabus is a document that must be provided to all students at the beginning of each semester (if possible at the first class meeting). Its contents must include, at minimum, course goals and topics, types of assignments (e.g., readings, types of oral and written exercises, term papers, etc.), and the means to be used in the evaluation of students. Additionally, the instructor is to provide his/her office hours, office location, and office telephone number as well as, if available, a University e-mail address.*

Components of the SIU Complete Syllabus, below, that are **not** among the minimum requirements specified above should be viewed as best-practice recommendations from the Office of the Associate Provost for Academic Programs.

- 🐾 Instructor name and contact information, including regular office hours, office phone number, University email address, if available. If applicable, it is recommended to include contact information for teaching/lab assistants for the course.
- 🐾 Course name, number, meeting time, meeting place, and brief description (The official catalog description is recommended). Also include information about lab meetings or discussion sections if applicable.
- 🐾 Student Learning Objectives. As a general rule, the course SLO's need to be in alignment with programmatic SLO's, as required for degree- or unit-specific accreditation. When the course is a University Core Curriculum course, the learning objectives should be those approved by the Core Curriculum Executive Council and listed on the syllabus for the course posted on the UCC website.
- 🐾 Texts and other materials required (and or optional) for the course
- 🐾 Course Grading Scale—Using a list of all graded items in the course (quizzes, exams, homework assignments, portfolios, lab assignments, presentations, group projects, papers, attendance, participation, etc.), the instructor should identify all of the points and percentages of items required to achieve each letter grade in the course (A, B, C, D, F).
- 🐾 Late Work Policy for each type of assignment/exam.

***It is recommended that reference to the following policies and practices also be included in the syllabus, or the appropriate semester's Syllabus Attachment, available from the Provost's webpage can be inserted: <http://pvcaa.siu.edu/forms/index.html> (sample attachment on page 4)***

- 🐾 Detailed Schedule – a weekly or daily schedule showing required readings, class activities, course withdrawal deadlines, assignment due dates, exam dates, including any exam scheduled during final exam week. Dates for when the class can be dropped without receiving a “W” and/or a “WF.”
- 🐾 SIU Policy on “Incomplete” as a Course Grade.

The following text is taken from the [Undergraduate Catalog](#), Grading and Scholastic Regulations section:

An INC is assigned when, for reasons beyond their control, students engaged in passing work are unable to complete all class assignments. An INC must be changed to a completed grade within one semester following the term in which the course was taken, or graduation, whichever occurs first. Should the student fail to complete the course within the time period designated, that is, by no later than the end of the semester following the term in which the course was taken, or graduation, whichever occurs first, the incomplete will be converted to a grade of F and the grade will be computed in the student's grade point average...

The Incomplete policy for graduate courses, taken from the [Graduate catalog](#), is as follows:

An INC grade should be assigned when, for reasons beyond their control, students engaged in passing work are unable to complete all class assignments. INC is not included in grade-point computation. An INC must be changed to a completed grade within one year from the close of the term in which the course was taken or graduation, whichever comes first. Should the student fail to complete the course within the time period designated, that is, one year from the close of the term in which the course was taken or graduation, whichever comes first, the Incomplete will be converted to a grade of F and the grade will be computed in the student's grade point average. To complete the work from the original registration, a student should not register for the course again, but should complete the work for the original registration if the original registration is within the normal time limits established for the degree. A contract for an INC grade must be established between the instructor and student at the time the INC grade is assigned. An extension may be granted if the request for the extension is made within the first year and approved by the Dean of the Graduate School and the Provost.

- 🐾 Course Attendance Policy (if applicable), including the number of unexcused absences allowed, acceptable excuses, tardiness policy, and the effect of absences and tardiness on a student's final grade. In particular, if there is a point at which missing a specific number of classes results in a failing grade, this should be explicitly noted on the syllabus. Also, it is recommended that the University Policy on Accommodating Religious Students (Undergraduate Catalog, chapter 7) be mentioned or included on a syllabus.
- 🐾 Expectations and Tips for Class Preparation: tell the students exactly what it means to be prepared for your class on a regular basis.
- 🐾 Course Mobile Technology Policy: Include a statement indicating whether and how students may use laptops, iPads, netbooks, e-Readers, smart phones, etc. during your class.

- 🐾 **Course Disruptive Behavior Policy** –any inappropriate disruptive behaviors. Exactly how you frame this section is up to you. Here is an example from one SIU instructor’s syllabus:

**The classroom is a shared space where consideration and compassion for others are not negotiable.** These are a must! To learn the interpersonal and professional skills offered in the course requires that, as with a sport or any instrument, we practice them daily. A positive attitude, a willingness to listen and learn, and an embrace of differences as well as similarities. . . these are just a few of the dynamics we will strive to practice.

- 🐾 **Statement on Inclusive Excellence**, such as the following example:

SIU contains people from all walks of life, from many different cultures and sub-cultures, and representing all strata of society, nationalities, ethnicities, lifestyles, and affiliations. Learning from and working with people who differ from you is an important part of your education in this class, as well an essential preparation for any career.

- 🐾 **Statement on Academic Honesty/Plagiarism** –

SIU Student Conduct Code: [http://srr.siu.edu/student\\_conduct\\_code/](http://srr.siu.edu/student_conduct_code/)

It is important that you follow these instructions and stay with your instructor during an evacuation or sheltering emergency. The Building Emergency Response Team will provide assistance to your instructor in evacuating the building or sheltering within the facility.

- 🐾 **Resources for additional academic help** – Writing Center, Learning Support Services, tutoring, DSS services, etc. Two examples:

Supplementary Assistance: With the cooperation of SIU’s Disability Support Services (DSS), each student who qualifies for reasonable supplementary assistance has the right to receive it. Students requesting supplementary assistance must first register with DSS in Woody Hall B-150, (453-5738) or <http://disabilityservices.siu.edu/>
